

Securities and Exchange Commission

Rewarding Career Opportunities with SEC

The Securities and Exchange Commission is an independent public agency established under the Securities and Exchange Act of 1992. Our mission is to regulate and develop the Thai capital market – the country's primary economic engine – while sustaining its efficiency, fairness, transparency and integrity.

The SEC is a knowledge-based organization and the SEC Staff its core asset nurtured and rewarded by the SEC Pro philosophy - **Setting high standard, Ethical, Committed and Professional.**

To enhance presence and competitiveness of the Thai capital market in the increasingly globalized, fast-paced environment, we are expanding our team of high caliber in the following departments:

- Accounting Supervision
- Broker-Dealer Supervision
- Corporate Affairs
- Corporate Finance
- Corporate Governance
- Enforcement
- Investment Advisor Supervision
- Information and Communication Technology
- Investment Management Supervision
- Litigation

We offer rewarding career opportunities with competitive remuneration packages, fringe benefits, training, professional development and work-life balance.

Qualified applicants must be university graduates with an experience in the capital or financial market, working in relevant occupations including accountant, tax expert, economist, researcher, journalist and IT programmer. They must also be energetic, self-motivated, goal-oriented, analytical individuals. Professional English communication and interpersonal skills are advantages.

If you fit our candidate profile and are looking for a career move that promises not only personal growth but also an opportunity to make a difference for the public's best interest, we would like to hear from you. Please fill in the application form stating your current and expected salaries and send to:
